

PUBLIC HEARING NOTICE

PLEASE TAKE NOTICE the Board of Trustees of the Village of Sleepy Hollow, acting as Lead Agency under the State Environmental Quality Review Act for a proposed municipal water supply improvement project, will hold a public hearing on **Tuesday, January 17, 2012 at 7 p.m. at Village Hall**, 28 Beekman Avenue, Sleepy Hollow, New York to hear and consider comments from members of the public regarding additional Environmental Documentation relative to Environmental Findings initially adopted on December 19, 2006 that selected a location at the Phelps Memorial Hospital site as a preferred location for the building of a new water supply storage reservoir. The Board of Trustees is considering amending said Findings to consider additional alternatives for location of the water supply storage reservoir at the site of the Village's existing easement at the Rockefeller State Preserve. Alternatives being considered at the existing easement site include, but are not necessarily limited to, excavating downward utilizing the existing easement area; incorporating a tank within a tank system; or a hybrid of the two. The Environmental Documentation regarding the project is available for review by other Interested and Involved Agencies and members of the public prior to the public hearing. A copy of the said Documentation may be viewed at www.sleepyhollowny.gov or at the office of the Village Clerk, Monday-Friday from 8:30 a.m. to 4:30 p.m. All interested parties are invited to attend and be heard at said hearing. Village Hall is accessible to the handicapped.

By Order of the Board of Trustees
Paula A. McCarthy
Village Clerk
Dated: January 3, 2012
